5	Final Bill	After execution of Balance Work and successful completion of the scheme.

The payment of RA as well as final bill for any work will be made according to the availability of fund and no financial claim in case of any delay in payment will be entertained.

No bidder can hamper the progress of work by stating non-payment of bills or non-receipts of payment. The financial capabilities of the bidder are evaluated through his annual turnover and no bidder can cite the non-payment as a reason for delayed completion or slow progress of work. Authority may impose penalty for delay in completion of work.

### 4. Security Deposit:

**4.1** The bidder shall be required to properly maintain the work including all its components for a period of **01 (one) year** from the date of completion of the entire work recorded in the MB. In total 10% of the contract amount will be deducted progressively from each RA bill as Security Deposit. The EMD shall be adjusted with the Security Deposit. The release of S.D. would be subject to quality and proper maintenance of the work and its components satisfactorily for the entire security period. Failure to execute proper maintenance of the work will lead to **forfeiture of the security deposit**.

**4.2** An application along with a prescribed format of this office to be submitted for release of S.D. for which the contractor should apply to the authority at least 2 (two) months prior to the last date of defect liability period with an undertaking that the work is maintained properly as per the terms of contract.

### **4.3 The schedule for release of Security Deposit will be as below:**

**The security deposit money of successful bidders will be released after 1 (one) year from the date of completion of work. Any minor or major repair shall be done by the agency during the security period. If any major repair required during the period is not undertaken by the agency during the security period the same may be defrayed from an amount deducted and retained as security from the total sum payable to the contractor.**

### 5. Withdrawal of tender:

## OFFICE OF THE REGISTRAR

A tender once submitted shall not be withdrawn within a period of 120 days from the last day of the opening of the financial bid of the tender. If a tenderer withdraws his tender within this period without any valid reason, the EMD shall be forfeited.

### **6. Other Terms & Conditions:**

#### **6.1 Labour Welfare:**

- The Agencies/contractor shall abide by all the labour welfare laws and their modifications from time to time, if any, within the contract period. Minimum labour wages act, labour facilities, E.S.I, P.F, Bonus facilities etc. should be provided as per latest Govt. order/Circulars. In no case, Registrar, (CPBU) shall be held responsible for any eventualities in this regard including payment of wages to personnel deployed by the contractor.

**6.2** Bidders are requested to be present in person during the opening of technical and financial bids.

**6.3** The tender accepting authority may ask any tenderer to submit analysis to justify the rate quoted by the tenderer.

**6.4** Original copy of all certificates shall be produced for checking and verification of all supporting documents on request of Registrar(CBPBU).

**7.1** The decision of authority with respect to this tender is final and binding.

**7.2** Registrar(CBPBU) takes no responsibility for any delay/or late submission of tender by the bidder.

**Agreement:** The Contractor, whose tender is accepted shall within 15 (fifteen) days of issue of an intimation to that effect by this office obtain additional one set of contract documents and submit the same duly signed by him to this office for formal agreement. If the contractor fails to perform the formalities as mentioned within the specified period, acceptance of the tender will be liable to be cancelled and the earnest money will be forfeited.

### **8.1 Work Execution:**

- **Penalty:** Time is the essence of any contract and any deviations from completion time will attract penalty @ ½% per week delay and maximum of 10% for the non-executed portion of the work.
- The successful Tenderer shall have to start the work at site within 7 days after receipt of the work order failing which work order shall be cancelled with forfeiture of earnest money deposited with Registrar (CBPBU) without assigning any reason.
- After receipt of the Work Order, the successful Tenderer shall submit the work programme, Bar chart of execution of the work, establish site office and deploy Site Engineers. He shall also maintain Work Order Copy, Drawings, schedule of work and tools & tackles at site to University Engineers to carry out necessary checking and supervision of the work.
- Steel shall be of SAIL or TATA or approved brand of I.S.I. and cement from ACC, Ultratech, Gujarat Ambuja or other brands approved by the engineers for which test certificate in original shall have to be produced for approval.
- The successful bidder shall ensure that qualified engineers are deployed to carry out quality works. If substandard works during the execution of work is detected, then the authority shall have right to direct the agency to re-do the work once again, check the qualification of engineers and supervisors, penalize the agency etc.
- **Sub-letting** of the job is not permissible and the Tenderer must submit one undertaking that he will not sub-let the job under any circumstances. If the authority comes to know that the agency has sub-let the work then action shall be taken to terminate the contract and the SD money will be forfeited.
- All materials & workmanship shall be as per the approved quality and methodology.

### **8.2 Payment:**

- No advance will be paid to the contractor. The contractor will pay minimum wages to his workmen in presence of engineers and only after certification by engineers that the minimum wages have been paid the bill will be processed.

**8.3 Cost Escalation:** No escalation of cost is permissible at any time after the issuance of work order.

**8.4 Defect liability Period:** starts from the date of completion of the work and release of Security Money (10% of the contract value) will be done as per the date of completion of the work. The engineers have to declare the date of completion of work and that date only will be taken into account for calculation for defect liability period.

**8.5 Termination of Contract/ Work Order:**

The authority may terminate the contract/work order due to the following reasons.

- i) Poor Progress of work.
- ii) Poor Quality of work.
- iii) Adoption of any unfair means during execution of work.
- iv) Violation/Non-compliance of any instructions of the authority.

For termination of the contract/work, the authority will issue a 7 days' notice to the agency/contract to make up the discrepancy/shortfall of the work as instructed by the authority, failing which the contract/work order will be terminated with forfeited of E.M.D., S.D., Performance Security etc.

**8.6 Discretion of the authority inviting tender:** The tender inviting authority reserves the right to accept or to reject any or all applications/tenders without assigning any reason whatsoever. On matters of dispute authority decision shall be final and binding. The quantity of work indicated in BOQ is provisional and should not be taken as firm. The extent to which the work would be actually executed will depend on the final decision of the Registrar(CBPBU). He however reserves the right to reduce the quantity even substantially without assigning any reason thereof and take up the same otherwise for which no compensation is payable under any circumstances.
