Roy Saheb Thakur Panchanan Barma

(1866–1935)

Roy Saheb Thakur Panchanan Barma was born on ১লা ফাল্গুন, ১২৭২ সন (11 February 1866) at Khalisamari village, Mathabhanga Sub-division, in erstwhile Cooch Behar State. He graduated from a Kolkata college, with an honours in Sanskrit, in 1893. Later on, he completed his M.A. in Mental and Moral Philosophy in 1896 from the University of Calcutta, and also completed his L.L.B. degree from Ripon College, Kolkata, in 1900. In the early years of his career, he started practicing law at Rangpur court. In 1921, he was elected to the Bengal Legislative Assembly after winning the general election and elected for three consecutive times for BLA. Panchanan Barma died in Kolkata on 9 September 1935. He also known as **Thakur Panchanan** and **Roy Saheb**, was a Rajbanshi leader and reformer from Cooch Behar. He was a social reformer and renowned educationist. He took many reformation works for the recovery the lost dignity of the Rajbanshi Society. Under the leadership of Panchanan Barma, well-coordinated clusters of villages (gram mandali) grew up in Rangpur, and the number of such clusters exceeded 300. He founded the rural agricultural Bank, namely “Kshatriya Bank”, the first rural Agricultural Bank for the farmers. Its objective was to free the peasantry from the clutches of the landowners and moneylenders and to provide them with the opportunity to build up a bright future by providing them with easy credit facilities. The new method he applied is today called micro-finance, but earlier known as micro-credit. In order to protect the exploited peasant society, he tried to develop villages with economic reformation by the scheme of micro-credit or micro finance. He also worked in the field of literature, Women Empowerment and Education, Rural Development. Panchanan Barma raised the voice of protest against the abduction and rape of women in Rangpur region. In his poem “Dangdhari Mao”, Panchanan Barma exhorted the youth community to stand up against wrongs and injustices. He built up an organization named **Nari Rakhsa Upasamity** (Committee for the Protection of Women) to make women self-reliant by giving them proper education and by training them in stick-play, word-fight and wrestling. Panchanan Barma was a leader of Rajbanshi Community and reformer from entire north-Eastern India during the later period of British rule in India.

Cooch Behar Panchanan Barma University has been named after Thakur Panchanan Barma to commemorate his legacy.

ABOUT THE UNIVERSITY

Name of the State University: Cooch Behar Panchanan Barma University

Year of Establishment of State University: 2012

Total area of the campus: 25 Acres of land at Panchanan Nagar (Main Campus) and the Second Campus of the University has been established at Khalishamari, Mathabhanga, Cooch Behar which is the birth place of Thakur Panchanan Barma. The total proposed area of Second Campus is 41.28 acres out of which 12.80 Acres of Land has already been transferred to the Cooch Behar Panchanan Barma University through the Inter Departmental Land Transfer Policy for the noble cause of establishment of 2nd Campus of the said University at Khalishamari, Mathabhanga, Cooch Behar.

Present Vice Chancellor Dr. Debkumar Mukherjee joined on 9th June 2017. Prior to his joining, there were only 22 full time faculty members and these were no university Officers; there was no permanent non-teaching employee in the University. In seven academic departments, there was not a single permanent teacher. Yet within this short period of time, with the active initiative of the Vice Chancellor ten university officers were appointed, all seven academic departments got their permanent teachers. 22 non-teaching employees have been appointed; now current faculty strength is 55. One Asst. Librarian also has been appointed in the Library. Three new subjects, viz, Botany, Economics and Library and Information Science in post graduate level also were opened in 2018 for which the Higher Education department sanctioned teaching posts and appointment process is going on for the recruitment of teachers in these three new departments. There was no Law College in this region in order to study LLB; the University authority has affiliated two new law colleges in 2019 and they have started functioning with approval of the Higher Education Department and Bar Council of India. The University has also affiliated one research institute, ‘Vashistha Institute for North Bengal and North East Developmental Studies’—the only research institute in North Bengal of its kind.

At present the University has 195 Ph.D./M.Phil scholars, 2015 post graduate students in seventeen (17) departments and around forty thousand (49,102) under graduate students studying in seventeen (17) affiliated colleges.

The enriched faculty members have published numerous research articles, participated in national and international seminars/symposium/conferences.

The University caters need-based and region specific research programmes to generate and disseminate knowledge during investigations. The prime focus of research in our University is on anti-malarial agent and nano-particle based anticancer agent, photo-electrochemical energy conversion may provide a possible solution for regional epidemic disease like malaria, global health issues like cancer and generation green energy. The trace element research would provide a new light on the decade long arsenic problem of the greater part of Bengal as well as the Indian

subcontinent. Research on ethno-medicinal plants of North Bengal for immune-therapeutic may provide the scientific rationalisation to the knowledge of ethnic people and such research is needed more and more to revive the local knowledge of the Indian medicinal plants. There are a few projects running in our University which are being funded by Department of Science and Technology, Govt. of West Bengal and Department of Science and Technology Govt. of India

Past progress of the University:

- This University is one of the few state Universities designed with emphasis on Humanities, Sciences, Commerce and Law and with a special emphasis on local area study. This University started operating from the training hostel of Uttar Banga Krishi Viswavidyala, Pundibari, Cooch Behar. Presently, **17 (seventeen)** colleges are affiliated to Cooch Behar Panchanan Barma University. At present there are **17 (seventeen)** PG and **01 (one)** UG Departments in the University.
- With the passage of time, its own building was constructed on the 20-acre land at Panchanan Nagar, near Vivekananda Street and the main campus shifted to its own building in the year 2015. Initially, University had opened only Humanities, Languages and Law. Science and Commerce departments had been opened afterwards.
- University is devoted to bringing in generational transformation in this remote part of the country. Apart from the regular class room teachings, as a part of the additional efforts, the university offers Virtual Classroom facility to access the lecture series of the finest universities of the world. In fact, each department has been given the full facility of the G-suite inclusive of Google Classroom and E-lectures. Science and Technology is a key mover and shaker in the development of the country. Teaching methods broaden to incorporate technological innovations into existing ways of teaching. The academic departments of the University have organized a number of National Seminars in their respective domains as a part of routine academic and intellectual exercises.
- In recent past, the Higher Education Department of Govt. of West Bengal has decided to introduce the choice based credit system (CBCS) at the college and university levels. Choice

Based Credit System (CBCS) can offer credence to the trans-disciplinary nature of education as proposed by Whitehead. Cooch Behar Panchanan Barma University has already introduced the CBCS system in the UG level since July 2017. Subsequently CBCS system in Post graduate programmes are also introduced.

- Laboratories of zoology, physics, chemistry and geography departments have been constructed with help of Higher Education Department and state of arte instruments was installed in the department of zoology and geography. The department of Zoology has established an Animal House for research and the animal house would be required by faculties of Chemistry as well as Department of Botany and Zoology.
- University introduced certificate courses in 2018 in Rajbanshi Language, Spanish Language, Human Rights and Duties, Geospatial Technology, Bhaowaiya, Natok and Natyavinay, Folk & Creative Dance, Rabindra Sangeet, Nazrul Geeti and Diploma Course in Folk & Creative Dance and Diploma course in Recitation. The Rajbanshi Bhasa is the populous dialect of Cooch Behar as well as entire North Bengal, Goalpara district of Assam and also some parts of Bangladesh. The syllabus of the Rajbanshi Bhasa certificate course had been framed in consultation with Rajbanshi Bhasa Parisad. The Rajbanshi Bhasa certificate course received an overwhelming response from the students as well as civic societies of North Bengal.
- University is also offering Post Graduate Diploma in Mass Communication & Journalism.
- University has signed a MoU with the Institute of 'Cross Cultural Studies and Academic Exchange', USA. MOU has also been signed with National Pingtung University of Science and Technology, Taiwan to promote academic exchange. The main focuses of the MoUs are organisation of academic conferences, exchange of faculty and scholar and to conduct the community outreach programmes like organising workshop, lecture and cultural performances.
- University has done MoU with CSIR- Central Drug Research Institute (CDRI), Lucknow for research and training purposes.
- A collaborative research project on Adverse Pregnancy cases has been undertaken with National Institute for Research in Reproductive Health (ICMR), Mumbai.
- The life and work of Roy Saheb has already been introduced at the PG level syllabus of the department of history and steps have been taken for inclusion of Rajbanshi poem, story and drama in the UG and PG level syllabus (department of Bengali) of the university from the

coming academic session to encourage the local literary work and to promote the ethnic dialect of this region.

- The construction of 22131sqft Administrative building, 6205 sqft Student Activity Centre, 200 capacity Girls' Hostel are in progress and the funds for all of these constructions were sanctioned from the North Bengal Development Authority(NBDA), Govt. of west Bengal. In the financial year 2018-2019, NBDA has sanctioned Rs. 37500000/- to the university. Two Boys' Hostels with capacity 400 each are also be constructed in near future. The Higher Education Department of Govt. of West Bengal has sanctioned Rs. 5982877/- to construct parking zone at the University.
- Keeping pace with the slogan 'GO GREEN', the North Bengal Development Authority, Govt. of west Bengal has generously provided fund to install 100kV solar panel at the roof top of existing building. The generated power from the solar panel is providing power need of the day to day work of the University.
- Keeping in mind that university is located 3-4 kilometre away from the main bus stoppage and nearby railway station, University Authority had persuaded and managed get fund of Rs. 24 lakh for an air conditioned bus from the Local Area Development fund of the then MP Sri Partha Pratim Roy. The main beneficiaries of the vehicle are students and staff members and the bus is shuttling from various pick up points at the town to university. From the MP LAD, Department of Physics and Zoology also received Rs. 400000/- each to develop Laboratory infrastructure in 2018. Local MLA also sanctioned fund in 2020 for the purchase of one Ambulance for the University and Ambulance was used by the Department of Health during corona outbreak.
- COVID-19, an infectious virus, spread all over the world and adversely affected all sectors including Higher education system. University started to put its efforts to use technology in support of remote learning, distance education and online learning during the COVID-19 pandemic. Classes were conducted through online mode to impart education among the students. The entire syllabus was covered through on line mode. Examinations were conducted through online system. Fees for admission and examinations were partially waived considering the economic condition of the students. Results were published in due time through evaluation process smoothly.
- Steps have been taken for setting a Community Radio Station for the service of community and student. For this Education Department sanctioned Rs. 74 lakhs. License for the same has been obtained from the Prasar Bharati and soon it will be installed in the University. Community Radio is the first of its kind in North Bengal. It will disseminate information various Government Programme, Local Folk Culture among the common people.
- The entire University campus has become fully wi-fi enabled since 2017. We have installed 24 hours CCTV surveillance system as a measure for security aspect.

- University authority has taken initiatives to establish a Heritage Museum & Archive after the name of Maharaja Nipendra Narayan Bhup Bahadur of the Koch dynasty in 2019. University Museum mostly comprises Art and Craft works of the local people, the ancient coin (Narayani Mudra) and others.

Notable Achievements (up to 5) during last five years, which can be highlighted / best practices:

General Administration

Office of the Vice-Chancellor

The Vice-Chancellor is the principal executive and academic officer of the University and his Office provides academic and administrative control to the University for the Effective Management and efficient use of resources in compliance with the Act and Rules of the University. The Office of the Vice-Chancellor leads and coordinates the development policies, strategic plans in order to achieve academic excellence, effectiveness and good governance of the University. The Office also implements the policy decisions undertaken by the Court and Executive Council for overall growth of the University.

Office of the Registrar

The Office of the Registrar supports the academic mission of the Cooch Behar Panchanan Barma University by ensuring the integrity, confidentiality, and security of educational records; interpreting and implementing academic policies; and providing sound and efficient services to support the academic needs of students, alumni, faculty, and staff in a way that promotes fairness, a commitment to excellence, open communication, and respect.

This office also maintains principal policies and procedures that guide academic stakeholders of the University community in the pursuit of University academic objectives and in relations with the community at large. Policies are also designed to acquaint new students, faculty, and staff members with the organization and aims of the University.

Office of the Controller of Examinations

The Examination Branch, which began its journey in 2013, had been responsible for conducting examinations for Undergraduate, Post Graduate, Diploma, Certificate, and Other Courses.

The Examination Branch on its journey has experienced reforms in the examination system. Presently, the entire examination process has been digitized breaking the age-old mode of conducting examinations. From the year 2020, the branch has introduced the concept of spot evaluation which has enabled the timely publication of the results. A major breakthrough came in the year 2015 when the branch launched its own website, www.cbpbu.net, and an online process in the examination system. Presently the Office of the Controller of Examination is working on the necessary steps required to bring in reforms for facilitating e-governance in the Examination Branch.

Office of the Finance Officer

The Finance and Accounts Department of the University is engaged in providing the services pertaining to Finance and maintenance of accounts to Teaching and Non-Teaching Departments / Sections / Units, affiliated colleges and recognized institutes. SPORTS BOARD

About sports board, Cooch Behar Panchanan Barma University

Sports is a means of physical and mental development besides creating harmony in the country. Following the age-old dictum 'Prevention is better than Cure' and reinforced by the Covid-19 Pandemic, the young and the old are increasingly getting engaged in some form of health fitness and wellness activity to maintain a mentally and physically healthy life. Sports is like a matrix where persons of all creeds, colour, religion and socio-economic status have the same level of playing ground.

India convinced the U.N. to observe 21 June as Yoga Day. Concomitantly, the construction and refurbishment of Sports Infrastructure with an infusion of state-of-the-art technology have stimulated economic growth and promotion of the Sports Industry. Sports is, thus, a glowing example of national integration. The participation in sports makes a nation fitter and also reduces the burden of morbidity and mortality in the population.

The university is going to complete just one decade of its establishment with in this sort period with limited resources university is trying to provide the good infrastructure and opportunities to the students. In the session 2020-2021 although we have not conducted any of such sports events due to Covid-19 Pandemic.

Aims and Objectives

The basic rationale of the sports board is to reach out to all registered students of the University by addressing their sporting and recreation needs. To engage in relentless pursuit of excellence in sports and games for health, fitness and wellness of the students of the University. The main purpose of constituting Sports Board is to upgrade the status of Physical fitness of the students and to give the real shape to the hidden talent of sports among the youths of registered students of the university. The sports board aims to encourage students to undertake all such activities that develop healthy and long lasting life styles which will help them to become a good citizen of the society.

DEPARTMENT OF HISTORY

1. Introduction about the Department of History:

The department of history started its journey since the inception of the University in 2013. As the University is situated in the remote areas of the state of West Bengal nay mainstream India and truly and practically it cannot be denied that the region surrounding of the university is a vulnerable, most of the people in the villages are peasants and labourer and many students who come to the University for learning are first generation learner; on the other hand the vast area of Cooch Behar historically was very much enriched because since the ancient period to colonial period the region had distinct entity, ruled by various rulers maintaining the glorious past. But unfortunately, Cooch Behar gradually lost many areas and ultimately it became only a district of West Bengal since 1st January, 1950. Naturally, considering all the historical aspects and the glorious past the department of history has included different aspects of the history of Kamrup- Kamata – Cooch Behar including the polity, society, economy and culture to explore and expose the unexplored history of this region which is our vision and mission.

DEPARTMENT OF MATHEMATICS

01. Introduction about the Department of Mathematics:

The Department of Mathematics started its journey from the session 2015 – 2016 with an intake capacity 40. The Choice Based Credit System (CBCS) has been introduced from the session 2020 – 2021 in the PG (Mathematics) syllabus. In spite of deficiency in the faculty, it is a rare feat that the department offers the discipline centric electives (DCE) from both Pure and Applied Mathematics branches. A continuous evaluation of the students, based on the class tests, helps them to check their preparedness and also helps in guiding the students to make a choice of their elective papers. The students prepare a project work according to their elective papers under the supervision of a faculty member of the department in their final semester. The department has introduced MATLAB programming, a powerful software of Mathematics, which will not only instil a better understanding of the subject but also broaden their scope of research. The department has started Ph. D. in Mathematics from 2018. Total nine (9) students have got registered for their Ph.D. in Mathematics till date and three (3) others have completed Ph.D. course work in Mathematics in 2021.

02. Thrust Areas of Research:

The Department of Mathematics, CBPBU is involving its research work in the fields of Computational Fluid Dynamics, Plasma Mechanics, Fluid Dynamics, Dynamical Systems, Advanced Complex Analysis and Fractional Calculus.

The thrust area of research in the department includes value distribution of entire and meromorphic functions or Nevanlinna Theory, specifically the uniqueness problems of entire and meromorphic functions. Nevanlinna Theory is treated as one of few greatest mathematical events of the Twentieth Century and it has immense applications in various fields of Pure and Applied Mathematics such as Analytic Number Theory, Holomorphic Dynamics, Mathematical Logic, Gamma Lines in Physics etc. Along with this, P-adic Nevanlinna Theory, Theory of L-functions are also active research areas of the department. The prime interest in these directions is to solve the problems of unique range sets. Two set, Three Set sharing problems are also being studied and at the same time we use the notion of shift and difference operator to deal these problems so as to solve the most fundamental problems of uniqueness theory of entire and meromorphic functions.

We also concentrate our research in the field of *Computational Fluid Dynamics* to study the mass transport phenomena in steady and time-dependent (laminar or turbulent) flows because it has a wide range of applications in the fields of environmental fluid dynamics, chemical engineering, biomedical engineering, and physiological fluid dynamics. To control the contamination in a stream, or in atmosphere or coastal seas and to predict levels of accidental pollution, to create a chemical reaction design, to understand the pathological conditions in the cardiovascular system; the basic fluid dynamics becomes an interdisciplinary subject and it is developed by many researchers such as mathematicians, engineers, physicists,

biologists, physiologists and geologists. Also, the department is concerned with the analysis of numerical algorithms for the approximate solution of differential equations and solving *singularly perturbed differential equations* by finite element and finite difference methods. We are looking for exploring our research in the application of *novel methods to real world problems* in numerical modelling.

The study of *bioconvective heat and mass* transfer due to motile microorganisms has attracted many investigators due to its diverse applications in biotechnology and energy related problems such as thermal insulation, enhanced recovery of petroleum resource, geophysical flows, polymer processing in packed beds and sensible heat storage bed. In particular, a number of industrially important fluids including fossil fuels exhibit non-Newtonian fluid behaviour. *Non-Newtonian fluids* are so widespread in industrial processes and in the environment that it would be no exaggeration to affirm that Newtonian shear flows are the exception rather than the rule. The transport of non-Newtonian fluid flows along with nanoparticles through the phase change material is relatively a popular and active area of modern research. The main attention has been put to examine the influence of swimming microbes suspended in non-Newtonian nanofluids around and over arbitrary shaped bodies considering several realistic effects. The department is also performing research works in the diversified fields of Mathematics such as Dynamical Systems, Plasma Mechanics, Fractional Calculus and Basic Fluid Dynamics.

12. Whether there is any change in the curriculum during the year (2020-21):

The Choice Based Credit System (CBCS) has been introduced from the session 2020 – 2021 in the PG (Mathematics) syllabus. In spite of deficiency in the faculty, it is a rare feat that the department offers the discipline centric electives (DCE) from both Pure and Applied Mathematics branches such as Fluid Mechanics, Plasma Mechanics, Advanced Complex Analysis and Differential Geometry.

13. Whether any examination reform has been implemented during the year (2020-21) if any please give the details:

In Semester-IV, there will be a PG-dissertation and a seminar presentation based on the Discipline Centric Electives carrying 25 marks each. The number of students for dissertation and seminar presentation will be more or less equally distributed among the faculty members. The topic of the dissertation and seminar presentation will be decided by the concerned faculty members under whom the students will do their dissertation. At the time of seminar presentation, each student has to defend his/her PG-dissertation and has to clarify the doubts and queries related to the topic of presentation before the internal/External examiners. The

department has introduced this component into the syllabus to prepare the students for various academic and professional interviews in near future.

21. Highlight of the Department:

The Department of Mathematics started its journey from the session 2015 – 2016 with an intake capacity 40 and it has been increased to 50 from the session 2020 – 2021. The Choice Based Credit System (CBCS) has been introduced from the session 2020 – 2021 in the PG (Mathematics) syllabus. The department started Ph. D. programme in Mathematics in the session 2018-2019. Most of the research scholars are getting fellowships from the various prestigious funding agencies such as **National Board of Higher Mathematics (NBHM), Department of Atomic Energy, Govt. of India, INSPIRE fellowship (stage – II), Department of Science and Technology, Govt. of India, Council of Scientific and Industrial Research (CSIR), Govt. of India, University Grants Commission (UGC), Govt. of India** for

pursuing their Ph.D. Some other achievements by the Teacher/Department/Student are listed below:

- (i) Faculties of the department are reviewing research papers for famous international journals like **European Physical Journal Plus (Springer), Soft Computing (Springer), International journal of Mathematics, Acta Universitatis Sapientiae Mathematica, Boletín de la Sociedad Matemática Mexicana, Indian Journal of Pure and Applied Mathematics (Springer)** etc.
- (ii) Ripan Saha (2018 – 2020 batch) has been awarded prestigious **NBHM** fellowship by the **National Board of Higher Mathematics, Department of Atomic Energy, Govt. of India** and Gourab Saha (2018 – 2020 batch) has been awarded prestigious **INSPIRE** fellowship (**stage – II**) by the **Department of Science and Technology, Govt. of India** for pursuing Ph.D. in the department of Mathematics, CBPBU.
- (iii) Nanda Poddar, SubhamDhar and Susmita Das, three research scholars of the department, **awarded outstanding papers** in the **4th Regional Science & Technology Congress (Northern Region)** organized by Alipurduar College jointly with **Department of Higher Education, Science & Technology and Bio Technology, Government of West Bengal**, held on 18.12.2019 – 19.12.2019.
- (iv) Faculties of the department have contributed some excellent research articles in their respective field of research. In total twenty (20) research papers have been published in this period from the department in various highly reputed international journals (**SCI/SCOPUS/WOS**) such as: **Proceedings of the Royal Society A, Physics of Fluids, The European Physical Journal Special Topics, Filomat, Korea - Australia Rheology Journal, Communications in Nonlinear Science and Numerical Simulation, Surveys in Mathematics and its Applications, ASME Journal of Heat Transfer, Mathematica Bohemica**, etc.
- (v) **The research scholars of the department participated/presented papers in more than 30 (thirty) state/ national/ international conferences/workshops/seminars** during this period. It is also a big achievement of the department.

22. Others (If any):

The faculties of the department are doing collaborative research work with national and international collaborators. One of the collaborator of Dr. Mondal is Dr. Niall Madden, Department of Mathematics, Statistics and Applied Mathematics, National University of Ireland, Galway, Ireland. Also, Dr. Mondal is doing collaborative research work with Prof. Prasanta Chatterjee, Department of Mathematics, Visva-Bharati, Dr. Naresh M. Chadha, Dean of Science, Dehradun Institute of Technology, Mussoorie, Diversion Road, MakkaWala, Uttarakhand– 248009 and Prof. B. S. Mazumder, Emeritus Scientist, Department of Civil Engineering, Indian Institute of Technology(IIT)-Bombay, Mumbai 400076, India. Recently, Dr. Kairi has started collaborative research work with Dr. Ch. Ramreddy, Assistant Professor of Mathematics, NIT, Warangal and with Dr. Sachin Shaw, Department of Mathematics and Statistical Sciences, Botswana International University of Science and Technology, Botswana. Dr. Sanjay Mallick has collaboration with Prof. Abhijit Banerjee, Professor, Department of Mathematics, University of Kalyani in the field of advanced complex analysis.

Beyond the academic activities, some of the PG students of the department have actively participated as volunteers in different activities organized by NSS, CBPBU.

DEPARTMENT OF LAW

01. Introduction about the Department of Law:

The Department of Law Cooch Behar Panchanan Barma University has started its journey since the year 2015. Since its inception, the Department has emerged as a pioneer institution of legal education and legal research with an excellent team of faculty members, stressing individual attention to intensive as well as extensive study and thereby carrying further the most important task of educational renaissance in the entire North Bengal Region. The Department seeks to inculcate innovative approaches to legal education and prepare students for leadership roles not only in the legal profession but also in a wide range of social institutions. Currently, the Department imparts 2 years LL.M. Degree course, M.Phil. as well as Ph.D. programme. The Department has introduced LL.M. (Corporate & Commercial Law) One Year Course since academic session 2019-2020. The Department has also started a certificate course in Human Rights and Duties since 2018 with an objective to spread awareness of Human Rights and duties in the society. Besides its academic pursuits the Department being an institution of legal education recognises its social responsibility and is involved in various legal awareness campaigns and outreach programmes in and around the Cooch Behar as well as North Bengal Region.

CHAPTER – VIII

COOCH BEHAR PANCHANAN BARMA UNIVERSITY

SECOND CAMPUS

Khalishamari, Mathabhanga, Cooch Behar.

- The Second Campus of Cooch Behar Panchanan Barma University has been established after receiving the “in principle” approval from the Department of Higher Education, Government of West Bengal. **Smt. Mamata Banerjee**, Hon’ble Chief Minister of West Bengal inaugurated the said Second Campus on 15.02.2021 through Video Conference from Nabanna Sabhaghar. The University is named after Manishi Panchanan Barma, the eminent Rajbangshi Philosopher & Educationist.

- An area of 12.80 acres of land has been transferred to the Cooch Behar Panchanan Barma University through Inter-Departmental Land Transfer Policy for establishment of the said Second Campus.
- The University authority is determined to introduce the following subjects in near future subject to the approval from the competent authority.
 1. Physical Education, 2. Law, 3. Data Science, 4. Mathematics, 5. English, 6. Education, 7. Political Science, 8. MBA etc.
- The stakeholders within the district of Cooch Behar and its adjacent districts i.e. Alipurduar and Jalpaiguri as well as the stakeholders from the lower Assam State can fulfil their dream of Higher Education in the said Second Campus though it is located in the remote area of Cooch Behar district. **It will surely prove to be the pioneer of Higher Education and academic excellence not only in Cooch Behar but also in West Bengal.**
